

aMaziNg RiCe fActS

Rice, a **staple food** for more than **half** of the **earth's** population, it is an **amazing grain**

The Chinese **word for rice** is the same as the word for **food**

There are **more than 40,000** different types of rice

Rice is **grown** in over **100 countries** and on every **continent** except Antarctica

96% of the **world's rice** is eaten in the area in which it is **grown**

When **cooking** rice, it grows to give at least **three times** its original **weight**

kids menu

"We don't use any artificial flavours. We only use the freshest ingredients. We don't use MSG in any of our cooking."
